Smith of Derby
Smith of Derby Limited

Custom Built Commercial Clocks

COMMERCIAL CLOCKS by the Smith of Derby Group are custom designed and built to match designers and end users specifications. They provide the perfect combination of corporate identity and reliable timekeeping in the business environment.

All clocks are hand finished and individually tested to ensure they meet our stringent quality control requirements.

Well proven high torque mechanisms ensure accurate timekeeping and long reliable service.

The Smith of Derby Group provides an integrated service from design and manufacture through to installation and maintenance. A full in-house design service is available for bespoke dials, hands and corporate image requirements.

All our clocks carry a full manufacturers warranty. Installation details available on request.
